Note that if your (exclusive) event is scheduled to extend past our normal operating hours, there is a \$75 additional fee and we're required to inform the Frederick County Liquor Board **at least 2 weeks prior to the event**. Our normal operating hours are:

Tue – Thu Noon – 8PM

Fri – Sat Noon – 9 PM

Sun 1:00 – 6 PM;

closed Mondays except during December

(open noon to 5 on Mondays in December.)

Alcohol:

Wine must be provided by Frederick Cellars

Case pricing (15% discount) applies

No other alcohol is allowed (by State Law).

During your event, your guests may sample/taste wines and/or enjoy wine by the glass. You can pre-specify a limited selection of wines for your event (in order to keep within a budget) if desired. There is no need to 'pre-purchase' wine. You'll be billed for just what your guests consumed.

Note: Except for parties less than 25 people, we do not conduct 'cash bar' rental events where each guest pays for his/her own wine; we need a single individual to be responsible for paying for all wine consumed during the event.

Catering:

Frederick Cellars can recommend some good local caterers. Note that all food must have been prepared in a licensed kitchen – i.e., grocery store, deli or by a caterer. No home-prepared foods are allowed.

Seating & Tables:

Frederick Cellars has approximately 6 'wine barrel' tables with chairs, some bar stools and 12 folding chairs. We also can provide 6' or 8' banquet tables. (However, you're responsible for setting up banquet tables and for providing table cloths/linens.) If your event requires more seating and tables than we can provide, you'll need to obtain these from a rental service and be responsible for their setup and breakdown.

Entertainment:

We are currently not zoned for 'live' entertainment so no bands or DJ's are permitted. The winery has XM radio if you'd like background music for your event.
